Pentecost Sunday

May 20th, 2018

Dear Parish Family,

As we celebrate Pentecost Sunday, it's a great opportunity to remember that the Holy Spirit seeks to give us His gifts & fruits. How many of us can name all the Fruits of the Holy Spirit and Gifts of the Holy Spirit? If I had to guess, I would imagine most might. So, as a reminder, here are just the Fruits of the Holy Spirit dwelling in our souls:

Fruits of the Holy Spirit: 1) Charity - The Holy Spirit is Love and gives us the infused theological virtue of charity to prefer God over everyone and everything. We desire this loving union with God. And it overflows in our love for ourselves and our neighbors for God's sake.

2) Joy - Happiness is realized when we live for God and know someday we will be with Him now and forever in heaven. 3) Peace - The Holy Spirit gives us order in our souls and a clean conscience. He also gives us order to our family, friendships and duties of life. 4) Patience - When one is close to God, everything else falls into its place so that one can have patience and tranquility. Love is patient. 5) Benignity - This is the virtue of kindness to others. 6) Goodness - We renounce evil and seek what is good. We repent of our sins and strive to do God's will. 7) Longanimity - Perseverance in the mission God has given us and the ability to stay faithful over the long time. 8) Mildness - This gives us the moral virtue temperance that helps us overcome our natural tendency to be rough or angry. 9) Faith - This is a theological virtue given to us in Baptism. It gives us the Divine grace to be able to assent to the revealed truth of God. We put God as the absolute authority. 10) Modesty - This includes how we act and dress. These are external signs of our interior modesty. It gives us the preference to purity of mind and heart in sexual matters. 11) Continency - This is the virtue to control sexual and other appetites in a holy manner like in marriage when one spouse because of health reasons cannot have relations. 12) Chastity - This is the self-giving of oneself to God completely as a priest, religious or consecrated layman. All vocations are called to have chastity in their way of living. This includes married people to be faithful to their spouses. It also gives the grace for all those waiting to get married to be sexually pure. Let us look inwards and invite the Holy Spirit to build up each of these within us, so that we might allow God to grant us the grace to be truly holy in this life in preparation for eternal union with Him in heaven.
