Solemnity of Christ, the King of the Universe

November 24th, 2019

Dear Parish Family,

The human heart is designed from the beginning to understand when someone has done something for you it should be acknowledged, especially if it's undeserved or unmerited by our actions. We call that acknowledgement "giving thanks". The Pilgrims, who fled England because they didn't agree with the state making laws restricting religion, and a group of Native Americans were the first to celebrate "Thanksgiving Day". Yet, the concept of a day dedicated to giving thanks to God was not a once-a-year even. Most Christian cultures held similar festive days whenever the occasion called for one to be celebrated. In truth, people understood that every day is a day to give thanks to God. On occasion a more solemn form of that thanks was held so that many might come together, sharing the goodness that God had given. For us as Catholics, we are called to offer our thanks daily, especially through the Mass. May we all have a blessed Thanksgiving this year, but may each of our days be a day we give thanks. ~ Fr. Shaw

Did you know that that you can make tax free distributions to St. Joseph's & Our Lady of Guadalupe directly from your IRA account if you're over 70½ years old?

These are free from federal & state income taxes, can help avoid Medicare high income surcharges, and can help reduce taxes on your social security benefits. Distributions can be made directly to our parish and can be restricted so that it can only be used for specific purposes (building maintenance, DSA, grounds, etc.).

For more information, please contact
Bob Burns (rjbns213@gmail.com).
