Sunday of the 13th Week in Ordinary Time

June 26th, 2016

Dear Parish Family,

Finals for my first round of classes have been happening this week and next week. Please say some prayers that I can somehow retain everything that has been presented in class and in the readings from the last month! I am praying for all of you each day and remember you at each Mass I offer. Have a blessed week!

~Fr. Shaw

Spiritual Adoption

1st MONTH – Developing Baby

Your spiritually adopted baby is quite active this month.
Your baby will grow to 10,000 times bigger than at
conception. Your baby will develop the foundations of
his/her brain, spinal cord, and nervous system by the 20th
day. His/her heart will begin to beat on the 21st day.
His/her heart is pumping blood through its own circulatory
system and the blood type can be different from his/her
mother's. Your baby is most vulnerable during the next
month of being aborted. Pray that the Lord of Life might
move the heart of his/her mother to give him/her the most
precious gift of all the gift of life.
