## *Sunday of the 26<sup>th</sup> Week of Ordinary Time* *September 29<sup>th</sup>, 2019*

Dear Parish Family,

In the life of every parish are the realities of the needs for maintaining the physical structures of the parish. For us, these include St. Joseph's church, Our Lady of Guadalupe mission, & the rectory. Sometimes it might seem like there is a tremendous amount that needs to be done, while at other times it seems like there shouldn't be anything that needs doing. Just like a house or business, the truth is usually somewhere in the middle.

As the pastor, it is my responsibility to try to maintain the facilities as best as I can, with the resources that are available, and with good counsel from the parish pastoral & finance councils, as well as from anyone else who has a desire to help. To that end, I have always appreciated the help of Joe Kamarata (Parish Grounds & Facilities Coordinator), Dcn. Bill (17-year experience with Facilities Management at Piedmont Triad International Airport), & several others who have kindly helped. Truly, I would struggle much more without their input.

To help everyone in the parish know what projects have been done, are in the process of being done, and are being planned for the future, I have created a new page on our parish website. It is still a work-in-progress, but the initial information is already posted at: <https://www.stjosephbryson.org/66>. Take a look and please offer me your feedback! Also, if there is a specific project you would like to help with or see about getting started, please know that you're always welcome to speak with me and your help would be appreciated!

~ Fr. Shaw

Did you know that that you can make tax free distributions  
to St. Joseph's & Our Lady of Guadalupe directly from your  
IRA account if you're over 70½ years old?

These are free from federal & state income taxes, can help  
avoid Medicare high income surcharges, and can help reduce  
taxes on your social security benefits.

Distributions can be made directly to our parish and can be  
restricted so that it can only be used for specific purposes  
(building maintenance, DSA, grounds, etc.).

For more information, please contact  
Bob Burns (rjbns213@gmail.com).
