Sunday of the 2nd Week in Ordinary Time

January 14th, 2018

Dear Parish Family,

Please keep everyone who will be traveling to the March for Life in Washington, DC and the other Marches that will be happening throughout the United States in your prayers during this week. It's a joyful and beautiful witness to the Truth of the Gospel, as well as the value & dignity of Human Life from conception until natural death.

Thank you also to all those who have been praying in union with our "Spiritual Adoption" program. By doing this fundamental and simple act of love for these children & their mothers, we bring to life what Christ asks of us: Faith demonstrated by works and Works done with Faith!

~Fr. Shaw

~~~ Please bring old Palm branches so that they can be used for ashes on Ash Wednesday! ~~~

\*\*\* **The Bulletin Prayer Lists for the Sick & Departed will be cleared in 4 weeks.** \*\*\*

Development of the Unborn Baby

Fourth Month

Your spiritually adopted baby's mother can finally feel the  
movements of her baby within her womb. By the time this  
fourth month is over your baby will be 6 inches long. Their tiny  
heart has been beating since he was 21 days old. Now this  
strong little heart pumps 6 gallons of blood every day (picture 6  
milk cartons - your baby's heart is a pumping miracle!) Your  
baby is becoming stronger and likes to turn somersaults. Your  
baby has lots of nice skin but not much fat to fill it out so they  
looks a little wrinkly. Their skin is covered with vernix, a thick  
white cream which protects their skin from the salty amniotic  
fluid. Your baby's face is becoming prettier and has begun to  
resemble their parents.
